

SOS File

Dear Association of the Century, Inc.

21 December 2005

Thank you very much for the great care package from the "SOS" program! Everything included has already been put to use. It is always nice to know that folks back home are thinking of us over here. I also appreciate the letter and free membership to the Association and I look forward to hearing from you in the future.

I am currently stationed at Camp Arifjan, Kuwait with the 377th Theater Support Command. If all goes as planned I should be returning home next summer. My primary job duties are with the G1 section as a Plans & Operations Officer.

It has been hard being away from family, friends, Kentucky and the greatest nation in the world, but I am proud to know that I am contributing to a worthy cause.

I hope that you all had a fantastic holiday season. Thanks again for all that you do and for keeping me in your thoughts.

Sincerely,

Bradley D. Harrington
