

I just want to say thank you  
for your support.

I often receive boxes from  
folks but as a chaplain these  
are always sent to me on behalf of  
the troop. It made my day to  
have a box just for me - I hope  
you don't mind that I saved its  
contents with other troops.

But it sure was nice to have a  
box for me. I still have the  
hot COCOA powder for a cool  
morning - it is getting cooler now.

Bless you all for your support
